

# **VOLUNTEER ROLES AND RESPONSIBILITIES Guide**

# **2026**

# WELCOME

Thank you for being a valued member of the Florida State Fairgrounds Volunteer program. We utilize volunteers in various areas throughout the fairgrounds:

- Participate in annual volunteer opportunities and social events.
- Spend the day with farm animals,
- Welcoming fairgoers
- Help visitors find their way
- Petition patrons to compete in fair-food eating contests
- Step back in time to the late 1800s.
- And so much more!

Whatever your desire, this guide will help you decide which volunteer opportunities you would like to sign up for. You can try a new experience every day or stick to your favorite area during the 12-day Fair.

We update the Guide annually. So, whether you are a first-time volunteer or a veteran of the Fair over the past 20 years, please review the Volunteer Roles and Responsibilities Guide.

Don't forget to review the Pre- and Post-fair opportunities as well. We can always use your help setting up and breaking down the Fair.

Now that you are an official Florida State Fair Volunteer, please visit the Florida State Fair Volunteer Portal at <https://app.betterimpact.com/Volunteer/Main>. Questions or concerns, please contact Dianne Stahl, Volunteer Coordinator, at [Dianne.Stahl@FloridaStateFair.com](mailto:Dianne.Stahl@FloridaStateFair.com).

We look forward to making your volunteer experience a great one.

*It's always a great day at the Fair!*

## NON-FAIR VOLUNTEER OPPORTUNITIES

- Ag-Venture (Spring and Fall): Ag-Venture is an amazing program aimed at giving school-aged children an opportunity to learn about the business of agriculture in the great state of Florida. You do not need to have any experience in any aspect of agriculture to volunteer for this program. Volunteers will be assigned to help support our commodities sponsors with their hands-on exhibits. It is really a lot of fun and a great way to support our young people.
- Cracker Country (October – December and March – May): There are so many volunteer opportunities at Cracker Country throughout the year. Here are just some of the events available for volunteers:
  - Home School Days (four times per year) – Homeschool groups explore Cracker Country while on a self-guided tour. Volunteers are needed to assist with hands-on projects. No experience is ever necessary.
  - Tall Tales (October): The public is invited to explore Tampa's 19th century living history museum by night. Along the way, visitors meet storytellers who will spin wild yarns about a few of Florida's unexplained oddities! A little scary, a little funny and always family friendly.
  - Christmas in the Country (December): Come help us decorate Cracker Country in the holiday tradition of an old-fashioned country Christmas.

## Volunteer Get-togethers

Maintaining close connections with fellow volunteers is an important part of the FSF Volunteer program. Several times during the year (primarily in late Spring and early summer months), the Volunteer Coordinator organizes social events and field trips. No matter where we go or what we do - getting together as a group is always fun!

## COMMUNICATION

***The Fair Exchange*** is a newsletter designed specifically for Florida State fairground Volunteers. Published April through December, the newsletter keeps volunteers up to date regarding volunteer opportunities, new Fair attractions, and invites to social events (to name a few).

During the Florida State Fair, in February, volunteers receive a daily update entitled ***Today at the Fair***. Delivered via email, ***Today at the Fair*** provides volunteers with information on the Fair's daily schedule, featured Fair food items, areas that need additional help as well as other pertinent announcements.

***The Fair Exchange*** and ***Today at the Fair*** are delivered to FSF Volunteers via personal email. Please contact Dianne Stahl, Volunteer Coordinator at [Dianne.Stahl@floridastatefair.com](mailto:Dianne.Stahl@floridastatefair.com) to make sure you are on the Volunteer email list.
