

FFA Chapter, 4-H Club, or YLPA Club Quilt-Topia Barn Quilt Challenge

You might think a barn quilt is a cozy fabric quilt hung over a barn door—but it’s actually something quite different!

A Barn Quilt is a striking piece of art: a 3½-foot by 3½-foot wooden square, hand-painted to resemble a single quilt block.

These colorful creations are designed to adorn the sides of barns, adding charm and character to rural landscapes.

The Florida State Fair is looking for creative FFA Chapters, 4-H Clubs, and YLPA Clubs or their members to create a show-stopping square that will be displayed throughout the 2026 Florida State Fair and in different areas.

The 2026 Florida State Fair will be celebrating “America’s Sunniest Celebration”. Let’s showcase your creativity by celebrating America’s 250th anniversary!
