GUIDELINES

- The Hobbyist Adult and Professional Adult divisions are open to Florida residents who are 18 years or older. You may only enter one of these divisions—not both.
- The Hobbyist Youth divisions are open to Florida residents in grades 1 through 12 as of September 1, 2025.
- The Saltwater Open division is open to Florida residents ages 6 and up as of September 1, 2025.
- All entries must remain on display for the full duration of the Fair.
- You must include your tank dimensions when registering, as space is limited. While there is no minimum or maximum tank size, tanks over 55 gallons must be approved by Bill Shields.
- Display space is assigned on a first-come, first-served basis. If we cannot accommodate all entries, we will notify those affected.
- Exhibitors may enter multiple tanks, but each tank may only be entered in one class.
- Fish shown in previous years at the Florida State Fair are allowed.
- Each exhibitor must supply their own tank and equipment, including a light, filter, and a drop cord with a three-way plug. Only one electrical outlet will be provided per tank. The Fair will provide electricity, water, and a display table.
- The Fair will ensure professional care for all entries but is not responsible for any accidents or fish loss. Fish will be fed once daily with standard flake food.
- Late entries are not allowed. You will receive a Claim Receipt when you set up your display.
- All entries will be displayed, regardless of whether they win an award. To maintain a family-friendly environment, any items deemed offensive, controversial, or inappropriate will not be accepted.

JUDGING & AWARDS

- The Fair selects judges who are experienced and knowledgeable in the categories they are assigned. Judges are expected to be fair and unbiased. They may reassign an entry to a different division or class if they feel it's a better fit.
- All entries will be judged using a scorecard to help ensure fairness and consistency. Judges' decisions are final.
- If the judge feels that an entry does not meet the standards for an award, no ribbon or prize will be given, even if it is the only entry in the class.
- Winners and final displays will be announced during the Fair.

JUDGING CRITERIA

Awards are determined on both the fish and the tank appearance.

Fish Judging (50% of Total Score)

Health, size, finnage, behavior, category, and compliance to class.

Tank Judging (50% of total Score)

Once accepted, entries cannot be removed until the official release date listed in the Competition Handbook. Early removal is only allowed in cases like serious illness, emergencies, or at the Fair's discretion.

RETURNED OR BOUNCED CHECKS

A \$25 fee applies to any returned checks. This must be paid with cash, a certified check, or a money order.

EXHIBIT DESIGN & SET UP

The Florida State Fair controls how exhibits are displayed. If your entry is meant to be hung but isn't ready to hang, the Fair will display it as they see fit. No changes can be made once items are on display. Exhibitors cannot handle their entries after drop-off. Fair staff will handle final placement and assembly, using any instructions you provide.
