FLORIDA  
STATE FAIR

# Champion of CHAMPIONS

## YOUTH EDUCATION PROGRAM

SUPPORTING  
TODAY'S YOUTH TO BECOME

*Tomorrow's Leaders*

# WHAT IS THE FLORIDA STATE FAIR *Champion of Champions* PROGRAM?

The Florida State Fair is proud to offer unique youth agricultural programs called Champion Animals and Champion Youth Exhibitors. The Champion Animal Program recognizes and rewards the youth who raise and exhibit champion animals. This emphasizes the importance of champion animal genetics, breeding and husbandry, as well as the tradition of livestock competitions at fairs around the nation. The Champion Youth program also recognizes and rewards Youth Exhibitors for participation in a wide variety of educational events and tasks. These include practicing record-keeping, participating in hands-on skillathons, creating educational posters, attending workshops, submitting completed entry forms and more. Points are earned by attending these events, and the top 32 Senior Exhibitors with the most points at the end of the Fair are selected to compete in the final Round Robin Competition. The final competition culminates in the prestigious Champion of Champions banquet. Here, the program's exhibitors are recognized for their hard work, and the program's sponsors are thanked for their support.

"I really appreciate you supporting the heifer show. I will use the money to save up for college. When I get older, I would like to study at UF to one day become a vet. Maybe one day, I will be able to help FFA and 4-H students as you have helped me. I can't wait to come back next year for my senior year. Thank you for allowing kids to get a fair experience."

*-Reagan*

"Your sponsorship has a significant impact on young people in our community. As a senior in high school, participating in this program has been an incredible experience for me. It has not only helped me develop skills, but it has also helped me showcase my passion for agriculture. Thank you for believing in the potential of our youth and making the program possible."

*-Wirlein*

"Without amazing sponsors such as yourself none of this would be possible and I would not be able to continue my passion for showing livestock. Being a part of the livestock industry is not only about showing, but also about responsibility and the friendships built along the way. It was a successful show and a great time. The Florida State Fair has always been a blast. I really so appreciate your sponsorship."

*-Cheyenne*

"I sincerely appreciate the support you provide to Florida's youth in agriculture. Your sponsorship plays a vital role in making the Florida State Fair an educational and enriching experience for exhibitors like me. Programs like the Champion Youth Program offered would not be possible without generous sponsors like yourself. I am truly grateful for your commitment to helping the next generation of youth right here in Florida."

*-Heather*

"Thank you for your support of the Florida State Fair Champion of Champions Program. The program has a positive impact on all students that show at the Florida State Fair. By encouraging them to learn more about their projects, not only the showing part. Supporters like yourself are the reason students like me have an opportunity to raise livestock. I have learned about responsibility, financial record keeping, health care, and nutrition for livestock. I plan to put the money I earn from the Champion of Champions Program into my savings account to use for my future."

*-Easton*

## HOW WILL YOUR PARTNERSHIP BE USED?

Your partnership will support Youth Exhibitors by funding Achievement Premiums. When Youth Exhibitors earn points by attending educational events, they can convert their points into monetary Achievement Premiums at the conclusion of the Fair. Your partnership dollars help directly reward the 4-H, FFA, and YLPA Youth Exhibitors for their hard work and encourage future profitable agricultural projects.

## HOW WILL YOUR SUPPORT HELP?

Your support will benefit over 1,300 future leaders from across the state by encouraging their interest in pursuing one of the most fundamental traditions of the Fair. By becoming a sponsor, you can help preserve the tradition of exhibiting champion animals for future generations.
