

# SCHOOL TOURS

School tours at the Florida State Fair offer a unique opportunity for elementary school students to enrich their knowledge in history, science, the arts and more, all while enjoying the state fair!

Students can experience educational displays like the Power of Steam exhibit, step back in time in the Cracker Country Rural History Museum, or get up close & personal with goats, chickens & rabbits.

Self-guided school tours are available each weekday for first - fifth grade classes between Thursday, Feb. 5th - Thursday, Feb. 12th, 2026. General admission gates open at 11 a.m. Monday - Thursday & 10 a.m. on Friday. Schools are recommended to arrive 30 minutes prior to Fair opening.
