## GUIDELINES

- Each person may enter up to 3 photographs total. Photos can all be in the same class or different.
- All artwork must be labeled with the exhibitor's name on the back of the piece.
- Photographs must be printed on photo paper (gloss or matte), unless exhibiting in Alternative Process. No photos printed on canvas. **Do not frame your entry.**
- All photographs must be matted in a standard single weight black or white mat board. Prints not matted will not be accepted. The finished size of the mat board must be 11"x14".
- Each adult exhibitor will receive one (1) daily admission ticket to the Fair.
- Entries previously exhibited at the Florida State Fair may not be submitted for competition.
- Exhibited work must be completed within the last two (2) years.
- Entries must have been prepared/made/ processed by the exhibitor in whose name they are entered.
- All entries will be displayed, regardless of whether they win an award.
- **The Florida State Fair is a family-friendly event. Entries may not contain content that includes hate speech, discriminatory messages, illegal drugs or drug paraphernalia, explicit material, political campaigning or figures, or other content deemed inappropriate or offensive by the Fair. Entries that violate this rule may be disqualified and removed from exhibition at the discretion of Fair.**
- Print size can be any size as long they can be matted to fit to the 11" x 14" mat. Odd-size prints may need the mat window professionally cut to size.
- Prints can also be attached to a backing board (matboard or cardboard thickness – NO Foamcore) with a hinge mount; the method we recommend involves taping the print into place with folded hinges. Doublestick tape can also be used to adhere the print to the backing board.
- The Florida State Fair will be inserting your photographs in clear sleeves to further protect them during Fair. That is why No foam core should be used to back the print.

# JUDGING & AWARDS

- The Fair selects judges who are experienced and knowledgeable in the categories they are assigned. Judges are expected to be fair and unbiased. They may reassign an entry to a different division or class if they feel it's a better fit.
- All entries will be judged using a scorecard to help ensure fairness and consistency. Judges' decisions are final.
- If the judge feels that an entry does not meet the standards for an award, no ribbon or prize will be given, even if it is the only entry in the class.
- Winners and final displays will be announced during the Fair.
