INTERPRETATION OF RULES

The management of the Florida State Fair reserves the right to amend, add to, and interpret the following Rules and Regulations and to arbitrarily settle and determine all questions and differences in regard thereto or otherwise arising out of, connected with, or incident to the Fair.

RULES

1. There will be two ABGA-Sanctioned Open Boer Goat shows at the 2027 Florida State Fair. The ABGA-sanctioned show on February 8th will be for pay, and the ABGA-sanctioned show on February 9th will be for ribbons only. The Breed Standards and Show Rules of the ABGA shall govern and be upheld at each show.

2. Only registered goats may be shown in each Boer Goat Show. Only ABGA registrations will be accepted. Non-registered goats may not be shown.

3. An original Certificate is required for all animals three (3) months of age or older. An original Certificate or a stamped duplicate of faxed stamped duplicate application showing the date of receipt by the registry office is required on animals under three (3) months of age.

4. Certificates (or duplicates if applicable) must be presented to the Show Secretary for verification before the judging begins. All animals MUST be checked in the barn by 11 a.m. on Sunday, February 7, 2027. Check-in at the show desk will be on Sunday, February 7th, from 8:30 a.m. until 11:30 a.m.

5. Proof of ownership shall be the name on the Certificate/Application. Persons showing animals whose Certificates/Applications have signed transfers on them must show those animals as agents for the owner on the Certificate/Application.

6. An animal winning Champion or Reserve Champion must have a legible tattoo/microchip that matches the Certificate/Application before it enters the show ring to receive the award. Champion or Reserve Champion animals with illegible tattoo(s) or tattoo(s)/microchip that do not match the Certificate/Application will forfeit their award. A Champion/Reserve Champion will then be selected from the remaining animals in the Championship selection lines.

ENTRIES

1. Entry Due Date - All entries must be submitted and paid for online on or before January 4, 2027. It is the policy of the Florida State Fair to abide by all Rules and Regulations as posted on the Florida State Fair Agribusiness website at Florida State Fair Ag.

The entry fee will be determined by the date entries are submitted online.

The 1st Late Entry Period for entries **submitted online** between January 5 & January 11, 2027, is subject to space availability and will be charged double entry fees. January 11, 2027, is the Final entry date.

2. All entries must be submitted through the Online submission process. The entry fee is $20.00 per Boer Goat. This includes pen fees. **Late entries or additions will not be accepted.** Overpayments of $30.00 or less will not be refunded. Entry fees are non-refundable unless cancellation is received by Jan. 11, 2027.

3. All substitutions and corrections must be emailed to **Emily Smith** on or before January 29, 2027**. Only TWO substitutions can be made at check-in and must be submitted on the Substitution Form. All substitutions MUST be made at check-in** from 8:30 a.m. to 11:30 a.m. **NO SUBSTITUTIONS WILL BE MADE AFTER CHECK-IN.**

4. Youth Exhibitors entering the Open Show must meet all Open Show deadlines and must pay the regular $20.00 entry fee per animal to enter the Open Show.

5. Cancellations—To qualify for a fee refund, a Notice of Cancellations must be received for the Boer Goat Show by January 11th. Cancellations may be made by email to Emily Smith

6. Only animals entered and shown in the Open Boer Goat Show and checked by the state veterinarian will be allowed in the barn. No exceptions! Kids under 4 months of age may be brought into the barn after the appropriate vet check.

7. The Fair reserves the right to limit the number of animals based on the availability of pen space. Entries will be accepted in chronological order based on the postmark.

8. Any exhibitor from a family with an outstanding balance owed to the Fair will not be eligible to show at the Florida State Fair.

HEALTH RULES

1. All Boer Goats must meet health requirements as specified in the Rules for Exhibition as required by the Florida Department of Agriculture & Consumer Services. 2. Boer Goats must be free of clinical symptoms of caseous lymphadenitis. Animals showing clinical symptoms of this disease will not be allowed to enter the activity area or become associated with animals entered by other participants. With reference to caseous lymphadenitis, *clinical symptoms* are the term used to define **enlargements of the lymph nodes, whether draining or not.** Evidence of incised lymph nodes will be interpreted as prima facia evidence of caseous lymphadenitis in the animal under scrutiny.

3. Boer Goats must be free of symptoms of all other contagious and infectious diseases, whether or not such diseases are herein specifically named.
4. The show veterinarian makes the final decision on whether animals satisfy all health requirements. By applying for admission, each exhibitor agrees to show their animals subject to these show rules. Presenting obviously unhealthy animals may, subject to the committee's ruling, result in the entire herd's disqualification from the show.
5. For questions about health regulations and/or rules of exhibition, contact the Florida Department of Agriculture, Animal Industry, District 4 Office at (863) 578-1863.

5C-29.002 General Requirements for Movement of Sheep and Goats.
(1) Identification Requirements.
(a) All sheep and goats moved intrastate or interstate for any purpose must be officially identified to their flock/herd of birth. All sheep and goats that change ownership for any purpose must be officially identified to their flock/herd of birth as required by 9 C.F.R. § 79.2 (2008). In cases where the flock/herd of birth cannot be determined, the sheep and goats must be officially identified to the flock/herd of origin.
(b) Official Identification Methods: Only APHIS-approved identification methods of sheep and goats as required by the USDA Scrapie Eradication Uniform Methods and Rules, APHIS 91-55-079, June 1, 2005, may be used. Such identification methods must be permanent or tamper-evident, secure, carry a unique premise and individual animal number, and be traceable to flock/herd of birth or flock/herd of origin. Approved methods of identification include:
1. Official USDA-APHIS-VS ear tags,
2. Premises identification tattoos (must be legible and contain the flock/herd number and unique animal number),
3. Official registry tattoos (must be accompanied by either an official breed registration certificate or an OCVI that includes the corresponding official registration number), or
4. Electronic microchip/implant (must be accompanied by owner statement of ID numbers and chip manufacturer, and agent should have a chip reader for verification of placement).
(2) Responsibility for the Identification of Sheep and Goats.
(a) Primary Responsibility. The owner of the flock/herd of origin has the primary responsibility for the identification of all sheep and goats before moving their animals and involving them in intrastate commerce and before they are commingled with animals from different flocks/herds of origin. If official identification has not been placed on the sheep or goats by the owner before leaving the flock/herd of origin and moving them for the purpose of involving them in intrastate commerce, the owner must ensure that the sheep or goats are officially identified before the animals are commingled with sheep and goats from different flocks/herds of origin and before change of ownership.
(b) Secondary Responsibility. Persons with secondary responsibility to identify sheep or goats include:
1. A person who delivers any sheep or goats to a place where they will be commingled must ensure that the sheep or goats are officially identified to their premises of origin before allowing contact with sheep or goats from different flocks/herds or before the change of ownership.
2. A person who receives any sheep or goats that are required to be identified to their premises of origin must ensure that the sheep or goats are officially identified to their premises of origin before commingling with sheep or goats from different flocks/herds or before change of ownership.
(3) Retagging Sheep and Goats with Lost Identification.
(a) If a sheep or goat loses its identification to its flock/herd of birth or origin while in intrastate or interstate commerce the person that has control or possession of the sheep or goat is responsible for identifying the animal before commingling with sheep or goats of different flocks/herds of origin.
(b) The person retagging the sheep or goat shall record the identification number and the flock/herd of origin of the animal. If the flock/herd or origin cannot be determined all possible flocks/herds of origin shall be listed in the records.
(4) Removal of Official Identification Prohibition.
(a) No person shall remove or tamper with any official identification device.
(b) Official identification devices which are damaged and are no longer functional may be replaced provided all possible flocks/herds of origin are listed in the record associated with the application of the new official identification.
(5) Violations. Sheep and goats entering the state, moving within the state, or changing ownership in violation of the provisions of this chapter may be stopped by an agent, or employee of the Division or by any FDACS law enforcement officer of the state of Florida or any subdivision of the state. Any person, firm, or association having charge, custody, or control of animals imported or moved in violation of this rule will return the animals to the state or flock/herd of origin as directed by the Division.

All Goats / Sheep must adhere to the following Scrapies rules.

NATIONAL SHEEP AND GOAT SCRAPIE ERADICATION PROGRAM
Effective July 1, 2004

Requirements for Identification of Sheep and Goats in Shows, Exhibitions, and Fairs

This information is presented to clarify the mandatory identification requirements for sheep and goats under the National Scrapie Eradication Program. There are two components of the identification requirements that must be met before sheep and goats are allowed to move into the state or within Florida (intrastate) for shows, exhibitions, and fairs.

1. **Premises Identification** – Before official individual animal identification tags can be issued, the owner/agent must register the premises on which the animal is located and obtain a premises identification number from USDA.
2. **Individual Animal Identification** – Once the premises are registered, the owner/agent will receive official individual animal identification tags for identifying each sheep and goat. Applicator pliers will be provided to FFA, 4-H leaders, and/or fair/livestock/show committee for assisting exhibitors in application of the official ear tags.

NOTE: Sheep and goats must be officially identified before commingling with other groups of animals. For registered purebred sheep and goats identified with a permanent official breed registration number, official ear tags are not required. However, upon presentation of such animals for exhibition, a copy of the breed registration certificate must accompany each animal. Regardless of the method of official identification, each animal must be associated with a premises identification number.

The premises must be registered before the exhibitor can receive the official individual ear tag for each animal. The official tags must be applied to the exhibitor's animals prior to presenting them for exhibition. Official ear tags must be affixed by FFA, 4-H leaders, or by a representative of the Livestock Show committee or veterinarian.

GENERAL
1. Please note: Due to health and safety issues, no cooking will be allowed in the barns; food and drink should not be consumed in animal areas, and exhibitors should wash their hands after handling animals.
2. An exhibitor shall not present an animal to be shown under a judge from whom it was purchased within 90 days of the show.
3. Sawdust will be provided as bedding. NO OTHER BEDDING IS PERMITTED.
4. No electric clipping is allowed in barns or doorways. There will be a designated area for clipping your animals. Check with the Show Coordinator for the area before clipping. You are required to clean up the area within 1/2 hour after clipping. Failure to do so will forfeit premiums.
5. It is the responsibility of each exhibitor to see that his animals are fed and watered daily for the duration of the Fair. **Failure to maintain animals and exhibit to acceptable standards and/or failure to cooperate with Fair Officials may result in premium forfeiture and immediate dismissal from the Fairgrounds.**
6. NO DOGS ARE ALLOWED INSIDE THE GOAT BARN.
7. Exhibitors are required to furnish gate ties that will contain their animals in their pens.
8. Pen space will be assigned according to availability.
9. Animals are restricted to designated areas of the Fairgrounds and must not be taken from designated areas. Violators are liable for any damage incurred by the owner or animals.
10. Unacceptable conduct will result in expulsion from the grounds and forfeiture of premiums.
11. All tack supplies, etc., must be kept within the tack space (i.e., chairs, stanchions, etc., cannot be put into the public aisles/walkways)
12. The base date for class entry shall be the day of the check-in (February 7, 2027).
13. Without notice, Classes and/or Divisions may be combined or divided as approved in the ABGA Official Show Rules, with permission of the Show Chairman and the ABGA Judge, on show day.
14. Only animals being shown at the Florida State Fair are permitted on the Fairgrounds.
15. Any person who violates the general or special rules posted in this premium list will forfeit all privileges and premiums won.
16. The physical condition of an entrant, which the appropriate committee considers to be a problem for that entrant to participate in the show, may result in the committee not accepting entry or not allowing that entrant to participate in the show.
17. No chairs in the walkways or along the show ring.
18. Smoking is not permitted in the barns.
19. The use of alcohol is prohibited in barns and livestock areas.
20. Exhibitors are NOT to dismantle any portion of the pens, including the middle dividers, fronts, and backs. Please see the Show Coordinator if you have any questions or need further assistance.
21. Exhibitors are prohibited from spending the night in livestock tents, barns, or stalls.

ARRIVAL
1. An accredited veterinarian will be available to check the unloading of the animals. After the veterinarian checks in the animals, the show secretary will assign pens.
2. The veterinarian must check all animals during official arrival times. Late arrivals will not be permitted.
3. The check-in desk will be open Sunday, February 7th, from 8:30 a.m. to 11:30 a.m. and will close at 11:30 a.m. All exhibitors must sign in at the check-in desk. **It is the exhibitor's responsibility to make sure their animals are checked in before the books close at 11:30 a.m.**
4. There will be a meeting for all exhibitors at 5 p.m. in the show ring.
5. The entrance to the livestock area will be at the Livestock Gate at the Orient Road entrance on the west side of the Fairgrounds.
6. Any animal arriving late due to an emergency must notify the Livestock Office at (813) 621-7821.

ADMISSION

1. Each exhibitor will be issued two (2) armbands for the duration of the show. Exhibitors entering 10 animals or more will receive three (3) armbands.
2. Armbands will be picked up at check-in. Additional armbands **CANNOT** be purchased. Single-day admission tickets can be bought in advance at discount prices. See the Advance Ticket Form on the website for details. Tickets will be for sale at the gate.
3. Vehicle/Trailer Parking Passes: All Trailers will be parked in the designated areas within the interior of the grounds. Exhibitors will receive a Vehicle Pass for the duration of the show, allowing them to park in the Ag Lot outside of Gate 3. Only vehicles with the appropriate tags are permitted in this area.
4. Each passenger must have an armband or admission pass.
5. Red Gate Drop-Off Times (This is in addition to arrival): Vehicles will be allowed to enter through the Red Gate between the hours of 6 a.m. and 10 a.m. and 3 p.m. and 6 p.m. to drop off needed feed and/or supplies. After unloading supplies, vehicles will proceed to the Ag Lot for parking.
6. Parking Map and Detailed Instructions will be posted on the Agribusiness Website before the Fair.
7. Reserved parking is provided, and exhibitors must park in the assigned Ag Lot, or your vehicle will be subject to towing.
8. Champion of Champion Lot: Limited Parking Spaces can be purchased by Exhibitors within the interior of the grounds. All information will be posted on the FSF Agribusiness website. Spaces will open for purchase on January 1st, 2027. All proceeds will go towards the Youth participating in the Champion of Champions program.

LIABILITY FOR LOSS OR THEFT

1. The owner or custodian of the property of any kind brought to the Fairgrounds, either for exhibit or other purposes, assumes all risk and/or responsibility for its loss, damage, or theft as a condition of its admission to the grounds.
2. The Fair, its officers, and its employees cannot and will not accept responsibility and liability for any damage or injury resulting from theft, fire, the elements, accidents, or other conditions or causes, whether to exhibits, property of the exhibitor, vehicles on the grounds and articles left therein or any other property of any nature whatsoever.

JUDGING

1. See Show Schedule on page 1 for specific dates and times.
2. The ABGA show order will be Junior Percentage Does, Yearling Percentage Does, Senior Percentage Does, Junior Purebred and Fullblood Does, Yearling Purebred and Fullblood Does, Senior Purebred and Fullblood Does, Junior Bucks, Yearling Bucks, and Senior Bucks
3. Judges will not award premiums to any animal that is not deserving. It must be judged individually worthy.
4. The decision of the judge shall be final, and no appeal will be considered except in cases of written protest (see General Disputes Policy)
5. Any exhibitor who interferes with the judging will be promptly excluded from the competition; the premiums awarded will be withheld after judging.
6. All animals must enter the show ring and be evaluated by the judge to receive premiums.

GENERAL DISPUTES POLICY

With respect to any disputes that may occur with respect to an exhibitor at the show, such disputes shall be handled by the appropriate Livestock Committee (the "Committee") in accordance with the following:

1. An exhibitor may file a protest with respect to another exhibitor for violation of the rules and regulations of the Committee and/or the International Association of Fairs and Expositions (IAFE) National Code of Show Ring Ethics by submitting a written protest (a "Protest") on a form (the "Protest Form") which will be available at the Agribusiness Department. The Protest must include the exact basis, cause, and description of the dispute, the name of the protesting exhibitor, the name of the exhibitor being protested, and any materials in support of the Protest as well as any other matters which may be required in the Protest Form, and shall be accompanied by payment of $50 which shall be refunded only if the Protest is sustained by the Committee. The Protest Form must be signed by the exhibitor (as the protesting exhibitor), and if the exhibitor is a minor, the Protest Form must also be signed by the exhibitor's guardian or parent, unless the parent or guardian is not available under circumstances that warrant, as determined by the Agribusiness Department in its sole discretion. Failure to properly sign the Protest Form shall deem the Protest Form incomplete and nullity, and in such event, the Protest will not be considered. Any Protest must be submitted (and received by the Agribusiness Department) at least two (2) hours prior to the time that the show is scheduled to occur in order to be considered prior to the show. If a Protest is submitted less than two (2) hours prior to the time that the show is scheduled to occur ("a "Late Submittal"), then the Committee will handle the Protest after the show in accordance with its rules and regulations and the IAFE National Code of Show Ring Ethics, but the Late Submittal shall not affect the award of ribbons for the show. In order to minimize disruption to the show, an exhibitor who intends to file a Protest should do so at the earliest feasible time. In any event, a Protest must be filed with the Agribusiness Department prior to the scheduled release hour for the protested exhibitor's animal in order to be considered.
2. The Agribusiness Department will forward any Protest Form which is duly signed (by an exhibitor as the protesting exhibitor, and if the exhibitor is a minor, the Protest Form must also be signed by the exhibitor's guardian or parent) and any accompanying materials submitted by the protesting exhibitor in support of the Protest to the Committee for its consideration. The Agribusiness Department will also notify the exhibitor being protested of the Protest as soon as reasonably practicable after the Protest has been duly submitted and make available a copy of the written Protest to the exhibitor being protested. The exhibitor being protested may, but shall not be required to, provide a written response to the Protest (a "Response") by submitting a Response to the Agribusiness Department, including any materials in support of the response to the Protest, and the Agribusiness Department shall provide the Response to Committee. A Response shall be on a form obtained from the Agribusiness Department and must be signed by the protested exhibitor, and if the protested exhibitor is a minor, the Response must also be signed by the protested exhibitor's guardian or parent, unless the parent or guardian is not available due to circumstances that warrant, as determined by the Agribusiness Department in its sole discretion. The Agribusiness Department shall make available a copy of the Response to the protesting exhibitor upon request by the protesting exhibitor, but it shall be the protesting exhibitor's responsibility to monitor the Protest and to obtain a copy of the Response. The Agribusiness Department will attempt to notify the protesting exhibitor and the exhibitor being protested of the time of the Committee's review and consideration of the Protest by calling their respective cell phone numbers if provided on the Protest Form and/or the Response Form, but it shall be the protesting exhibitor

and protested exhibitor's responsibility to monitor the Protest and obtain the time of the Committee's review and consideration of the Protest and to be available at the time scheduled for the Committee's consideration of the Protest. For any late submission, the committee will handle the process of reviewing the Protest after the show.

3. The Committee members present will review the Protest and the Response, if any, in the context of its rules and regulations and the IAFE National Code of Show Ring Ethics and will make a decision to resolve the Protest by a majority of the Committee members present. In the event of a tie vote, the Protest shall be deemed denied by the Committee. The decision of the Committee will be final.

4. The Committee also may apply and enforce its rules and regulations and the IAFE National Code of Show Ring Ethics, with respect to exhibitors at the show.

5. By entering the show, all exhibitors, and their respective parents and/or guardians, shall be deemed to have acknowledged and accepted this General Disputes Policy.

RELEASE

1. Goats will be released on February 9th, no earlier than 5 p.m. or at the end of the Show.

QUALITY ASSURANCE PROGRAM

The Florida State Fair believes that every animal participating in activities of the Florida State Fair shall at all times be provided proper care and management in the best interest of the animal's welfare.

1. Quality assurance testing or a survey may be done at the Florida State Fair.

2. All animals are subject to testing at any time:

A. To determine whether an animal qualifies for competition in a particular breed classification.

B. To determine whether the animal has been unethically fitted in any way.

C. To determine whether there is any false information. or representation was made in a competition entry.

3. During the online process, the exhibitor acknowledges that they have read and agree to the IAFE Code of Show Ring Ethics (Please note: Rule #4 deals specifically with drugs).

4. Use of drugs in animals that are not in compliance with the manufacturer's label as to dosage, time of withdrawal limitations, or other manufacturer's limitations, and show regulations are **PROHIBITED.** The use of tranquilizers or possession of the same after arrival at the Fair will be construed as tampering.

5. Violators will be disqualified and will forfeit all premiums and awards, including the sale price of animals, if applicable, and future entry of exhibitors and/or families at the Florida State Fair.

6. The use of showing and/or handling practices or devices, using electrical contrivance, or other similar practices that are not recognized as acceptable training, restraint, or animal movement techniques is prohibited.

IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS) NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open-class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations that they impose on the local, county, state, provincial, and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers, and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards, and auction proceeds and shall be prohibited from future exhibitions in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.

2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.

3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.

4. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event that culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state, and provincial statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state, and provincial statutes, regulations, and rules affect the animal's performance or appearance at the event.

If the laboratory report on the chemical analysis of saliva, urine, blood, or other samples taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample or urine, saliva, blood, or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved, and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or irritant substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of

substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official shall be treated with courtesy, cooperation, and respect and no person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individuals to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant, whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including *Fairs and Expositions,* and any special notices to members.

11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action that contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

FLORIDA STATE FAIR AUTHORITY LIVESTOCK ADDENDUM

OWNER represents to Florida State Fair Authority ("AUTHORITY") that no animals that are exhibited or otherwise transported onto FLORIDA STATE FAIRGROUNDS will in any way be suffering from any contagious or infectious disease. In addition, OWNER shall defend, indemnify, and hold the AUTHORITY, the applicable Show Committee and each of their respective officials, officers, directors, employees and agents harmless of and from all losses, damages, claims, expenses, including reasonable attorney's fees at the trial and appellate levels, actions and causes of action arising out of, or in any way connected with, or by reason of this Agreement, the presence of OWNER's livestock at FLORIDA STATE FAIRGROUNDS, and/or use of FLORIDA STATE FAIRGROUNDS including, but not limited to any claim for the death of, or injury to any person or livestock, or damage to, theft of, or destruction of any property arising out of any act or omission of OWNER, OWNER's officers, agents, employees, trainers, drivers, riders, handlers, contractors and livestock, violation of any Federal, State and Local environmental laws, rules, ordinances and/or regulations, actions for negligence, wrongful death, torts, defects in the real and personal property at FLORIDA STATE FAIRGROUNDS and from any alleged liability, cause, litigation or proceeding whatsoever, even if such injury, death, loss or property damage results, in whole or in part, from the negligence of AUTHORITY, or the applicable Show Committee and their respective officials, officers, directors, employees and agents or otherwise. Neither AUTHORITY nor such applicable Show Committee shall be liable to OWNER, or any officer, agents, employees, trainers, drivers, riders, handlers, or other contractors, invitees, or guests of OWNER for any injury or damage to livestock, person, or property.
